Court alert pay is intended to compensate employees for the inconvenience of being available to testify in court during their off-duty hours due to a work-related subpoena. An employee shall receive two (2) hours of straight time compensation for awaiting a call to court between 8:00 a.m. and 12:00 p.m. (noon) and two (2) hours of straight time compensation for awaiting a call to court after 1:00 p.m.

Employees who receive a subpoena for a time that is less than two (2) hours prior to the commencement of their duty shift or other compensated hours, will receive alert pay.

Employees who receive an afternoon subpoena shall receive no compensation if they are called off prior to the court subpoena time if it is an "on duty" day for the employee, regardless of the shift hours. Employees who receive a subpoena on their days off shall be compensated for two (2) hours standby time even if they are called off prior to the subpoena time.

Employees who receive subpoenas on their duty day and are scheduled to go off duty within one (1) hour of the end of the normal court day shall not receive court alert pay. Upon completion of their duty day, if they have not been taken off call, they shall call the court liaison officer, check the case status and notify the liaison officer that they are leaving work and where they can be located for the one (1) hour. If the court liaison officer is not available, the employee will notify the Watch Commander of his/her location for the one (1) hour.

7. STANDBY PAY

An Animal Control Officer and/or Senior Animal Control Officer may be assigned to be on standby during their normal work schedule, from the end of their shift to beginning of the next employee's shift.

An employee assigned to standby shall be paid one (1) hour of straight time for evenings assigned on standby.

8. OVERTIME ACCRUAL

At the discretion of the department director, an employee may be allowed to accrue at the overtime rate, up to a maximum of two hundred (200) hours of compensatory time in lieu of cash payment in any one calendar year. Should the accrual exceed 200 hours at any time, the excess will be paid in cash during the payroll period in which it is accrued. At the end of each calendar year, any hours in excess of fifty (50) will be paid out in cash on the last payday in December.

Any "In lieu" holiday hours or Personal Leave holiday hours shall be in excess of this limit. The request for use of compensatory time off shall be approved by the department director or designee.

Employees may "cash out" accrued comp time anytime during the year.

9. WORK DAYS – CHRISTMAS TO NEW YEARS

The majority of City facilities will be closed on the work days between Christmas and New Year's Day. Employees will be required to use holiday, vacation, compensatory time or leave without pay during this period.

10. WORK SCHEDULES DETERMINATION

Notwithstanding any other provision in this MOU, the City reserves the exclusive right to determine unilaterally, such issues relating to work schedules and alternative work schedules (e.g., 9/80, 4/10, 3/12 Plans, and Christmas/New Year's work week) as start times, scheduling and assignments to such schedules.

11. ABSENCE FROM WORK

Employees are required to use all reasonable efforts to schedule all non-work related activities, such as routine medical, dental, or other health-related appointments, auto repair and any other type of appointments that may otherwise necessitate the employee's absence from work, for their regularly scheduled days off.

12. SHIFT SELECTION PROCESS FOR CIVILIAN WORK UNITS IN THE POLICE DEPARTMENT

Managers responsible for the operation of civilian units in the Police Department that require shift assignments (Records, Communications, and Civilian Report Writers) will design a shift schedule. Shift schedules are six months in duration. Prior to each shift change, each employee assigned to that unit will be asked to submit a "dream sheet" indicating his first and second preferences of the available shifts and days off. The respective unit managers and supervisors will assign shifts and days off taking into

consideration, as one factor, the employee's preferences and previous shift assignments. No particular shift or days off are guaranteed. The unit manager will retain final scheduling authority.

ARTICLE V

LEAVE POLICY

1. VACATION LEAVE

a. Accrual

Employees shall accrue vacation as follows:

80 hours upon completion of one (1) year of full time service.

120 hours (ten (10) hours per month) for employees who have completed one (1) year of service through completion of nine (9) years of service – with a maximum vacation accrual of 240 hours.

144 hours (twelve (12) hours per month) for employees who have completed nine (9) years of service through completion of fourteen (14) years of service – with a maximum vacation accrual of 288 hours.

168 hours (fourteen (14) hours per month) for employees who have completed fourteen (14) years of service through completion of nineteen (19) years of service – with a maximum vacation accrual of 336 hours.

207 hours (seventeen and one-quarter (17.25) hours per month) for employees who have completed nineteen (19) years of service through completion of twenty-four (24) years of service – with a maximum vacation accrual of 414 hours.

246 hours (twenty and one-half (20.5) hours per month) for employees who have completed twenty-four (24) years of service – with a maximum vacation accrual of 492 hours.

If for some specific reason an employee wishes to accrue vacation leave in excess of the limits established herein, he or she must submit a request in writing to his/her department listing these reasons. The department director and City Manager shall review and may grant such request if it is in the best interest of the City. The excess of the limit shall be determined by the department director and the City Manager.

b. Effects of Holiday on Vacation Leave

In the event one or more authorized municipal holidays fall within a vacation leave, such holidays shall not be charged as vacation leave, and the vacation will be extended accordingly.

c. Effect of Leave of Absence on Accrual of Vacation Leave

The granting of any leave of absence without pay exceeding fifteen (15) consecutive calendar days shall cause the employee's annual vacation earned during the calendar year to be reduced proportionately for each month or major portion of a month that the employee is on leave of absence without pay.

d. Compensation for City Work During Vacation Prohibited

Police Department employees required to be available to testify in court during their approved vacation leave shall be eligible for Court Alert Pay as defined in Article IV-6. No other employee shall be permitted to work for compensation for the City in any capacity during the time of his paid vacation leave from City service.

e. Vacation Pay at Separation

Any employee separating from the City service who has accrued vacation leave shall receive a cash out of all accrued vacation leave hours at his base salary hourly rate. When separation is caused by death of an employee, payment shall be made to the estate of such employee or, in applicable cases, as provided by the Probate Code of the State.

f. Vacation Buy-Back

Employees may elect to convert unused vacation leave hours at their base salary hourly rate of pay into cash, provided that they retain after such conversion, at least eighty (80) hours of unused vacation leave hours.

By December 15 of each year, an employee may make an irrevocable election to cash out accrued vacation leave which will be earned in the following calendar year at the employee's base rate of pay. In the following year, the employee can receive the cash for the vacation leave he/she irrevocably elected to cash out in two (2) separate increments. However, at the time of either cash out the employee must have at least eighty (80) hours of accrued vacation on the books.

In addition to the above, an employee who has an "unforeseen emergency" (defined as an unanticipated emergency that is caused by an event beyond the control of the employee and that would result in severe financial hardship to the employee if early withdrawal were not permitted) shall be entitled to make a request to the Director of Human Resources for a payoff of accrued vacation leave. The amount of vacation leave which may be paid off is limited to the amount necessary to meet the emergency.

If an employee makes an irrevocable election to cash out vacation leave in the following calendar year and uses vacation leave in that subsequent year, the vacation leave used will come from vacation leave the employee had earned prior to January 1 of the year the employee has elected to cash out vacation leave. This is to ensure that assuming an employee had a vacation leave balance prior to January 1, the vacation leave used will not result in a reduction in the amount of vacation leave the employee will be eligible to cash out.

If, during the year when an employee has made an irrevocable election to cash out vacation leave, he/she was on leave without pay and did not earn the

vacation leave expected, the employee will still be able to cash out the vacation leave the employee did earn even if reduced by the leave without pay.

2. HOLIDAYS

a. Authorized Holidays

Every full-time regular employee on a 9/80 work schedule shall be entitled up to nine (9) hours pay for the following holidays each calendar year unless noted and such other days or portions of days as may be designated by action of the City Council:

- * January 1st (New Year's Day)
Third Monday of January (Martin Luther King Jr. Day)
Third Monday of February (President's Day)
Last Monday of May (Memorial Day)
- ** July 4th (Independence Day)
First Monday in September (Labor Day)
- ** November 11th (Veteran's Day)
Fourth Thursday in November (Thanksgiving Day)
- *** Day after Thanksgiving (8 hour day)
 - * December 25th (Christmas Day)
 - * Two (2) work days - the week between Christmas Eve and New Year's
 - Two (2) Floating holidays

- * The specific day that City employees will observe or assigned as Floating holiday will be designated by the City Manager six (6) months prior to actual observation.

- ** When July 4th or Veteran's Day fall on a closed Friday, Saturday, or Sunday, the holiday shall be designated as a floating holiday (9-hour day) for that calendar year.

- *** The Day after Thanksgiving holiday shall be taken on the day after Thanksgiving except when it falls on a closed Friday, in which case the City shall select an "in lieu" holiday during the week between Christmas and New Year's Day for eight (8) hours.

The request for use of floating holidays shall be approved by the department director or designee each year. All holidays must be used by December 31st of each year.

The above-listed holidays for employees on a "5/8" work schedule shall be eight (8) hour days, including any "In lieu" holidays. Those employees shall also receive the Friday after Thanksgiving as a paid holiday.

b. Authorized Holidays - Other Work Schedules

Full-time employees on a 4/10 or 3/12 work schedule shall be entitled to receive 126 hours of holiday pay each calendar year to be used on the following days:

- * January 1st (New Year's Day)
Third Monday of January (Martin Luther King Jr. Day)
Third Monday of February (President's Day)
Last Monday of May (Memorial Day)
- ** July 4th (Independence Day)
First Monday in September (Labor Day)
- ** November 11th (Veteran's Day)
Fourth Thursday in November (Thanksgiving Day)
- *** Day after Thanksgiving (8 hour day)
- * December 25th (Christmas Day)
- * One (1) Personal Leave Day
Two (2) Floating holidays

Employees on the 3/12 work schedule will be required to cover the additional two (2) hours with other personal leave time.

The request for use of floating holidays shall be approved by the department director or designee each year. All holidays must be used by December 31st of each year.

c. Procedure if Holiday Falls on Regular Day Off

When a holiday falls on a regular day off, said employees shall be entitled to equivalent time off in lieu of the holiday. Determination of when such time off may be taken shall be made by mutual agreement.

d. Employees Required to Work on Holiday

Any employee whose work schedule and assignment of duties require him or her to work on an authorized holiday shall receive additional compensation, either time off or pay, for such work at time and one-half the rate at which he/she is employed. Determination of when such time off may be taken shall be made by mutual agreement. For purposes of this section, "authorized" holiday is defined as the actual calendar date of the holiday and not necessarily the date the holiday is observed by the City. The Personal Leave holiday shall not be considered an authorized holiday for the purpose of this paragraph only.

e. Eligibility for Holiday Pay

An employee must work or be on paid leave status or regularly scheduled day off on both the work day prior to and work day following an authorized holiday in order to be eligible for holiday pay. The only exception is between the Christmas-New Year's period, for those employees whose City office is closed, when an employee may take leave without pay and not lose eligibility for those holidays. When an authorized holiday occurs during an employee's paid leave, the employee shall receive holiday pay for that day which will not be charged against his paid leave. Should an employee request use of paid sick leave on the day prior to

and/or after an authorized holiday, the department director may, where he or she has reason to believe the employee is abusing sick leave, require a doctor's certificate or other satisfactory proof of illness before holiday pay is granted.

3. SICK LEAVE

a. Accrual of Sick Leave

Every full-time regular employee shall be allowed eight (8) hours sick leave with pay for each calendar month of actual continuous service dating from the first of the month nearest the commencement of said service. Such accruals shall be cumulative.

b. Family Sick Leave

Up to forty-eight (48) hours of annual accrued sick leave may be permitted to be used in any calendar year for family sick leave. Family sick leave is permitted to be used for an employee's spouse, registered domestic partner, children, sibling, parent, grandparent, or grandchild who may/may not live in the employee's household, but who require the employee's presence for the purpose of receiving medical care, shall qualify for family sick leave benefit; or, to the extent an employee is required to care for a below school-age child, or a dependent child below ten years of age in the case of school holidays or school breaks, where the spouse who customarily and on a daily basis is that child's primary caretaker, is medically disabled from performing that function.

c. Proof of Illness

The Human Resources Director may require a certificate issued by a licensed physician or other satisfactory proof of illness for the use of sick leave equal to four (4) or more working days. Such certificate must document that the employee was treated by a licensed physician on the day or a day of the absence and that he or she was required to be off work for the entire period of the absence.

d. Effect of Leave of Absence on Sick Leave Accrual

The granting of any leave of absence without pay exceeding fifteen (15) consecutive calendar days shall cause the employee's normal rate of sick leave accumulation to be extended by the number of calendar days for which such leave of absence has been granted less the first fifteen (15) calendar days of such leave.

e. Annual Sell Back

Once every fiscal year during the month of July, an employee who has accumulated 240 unused sick leave hours shall be eligible to sell back to the City one-half of his annual accrued but unused sick leave hours in excess of 240 hours, at the rate of \$.70 on the dollar based upon the hourly rate of pay in effect as of June 30th. The remaining one-half of annual accrued but unused sick leave hours will remain in the employee's bank of accumulated sick leave. The employee may instead convert the equivalent amount of hours, after the \$.70 on the dollar conversion, to vacation hours. (See Exhibit C.)

f. Pay Off at Retirement

At the time of an employee's service or disability retirement, the City shall pay to the employee an amount equal to 50% of his/her total accumulated but unused sick leave hours up to a maximum of 1,000 hours accumulated but unused sick leave. Any remaining accumulated but unused sick leave hours will be used toward the extension of his service period under the PERS retirement system, subject to Government Code Section 20965. (See Exhibit C.)

At the written request of the employee, 100% of the accumulated but unused sick leave hours may be used toward the extension of his service period under Government Code Section 20965 and no payout will occur.

4. ON-THE-JOB INJURY LEAVE

a. Workers' Compensation Leave

Employees compelled to be absent from duty on account of injury or illness arising out of and in the course of employment shall receive a paid leave of absence for work time lost, but not to exceed the first three (3) calendar days.

b. Temporary Disability

- (1) If an employee is eligible to receive temporary disability payments under the California Workers' Compensation Law, the City shall apply his/her accumulated unused sick leave in a prorated amount equal to the difference between his regular salary and the temporary disability payment.
- (2) The employee, under such system, shall be entitled to receive a cumulative total of up to six (6) months supplemental compensation for absences following and related to the occurrence of a specific injury regardless of his initial unused accrued sick leave balance. This supplemental compensation shall cease at the end of the cumulative six (6) months, regardless of whether there is any remaining accumulated but unused sick leave balance. At that time, the employee may still be eligible for temporary disability payments under the Workers' Compensation Law.

c. Accrual of Leave Benefits

Any regular employee shall continue to accrue vacation, holidays and sick leave and to earn eligibility for consideration for merit salary increases during an absence resulting from an on-the-job injury, providing he or she receives compensation payments under the provisions of the California Workers' Compensation Law. A probationary employee shall be entitled to the same benefits as a regular employee except he or she shall not continue to earn eligibility for consideration for merit salary increases.

5. BEREAVEMENT LEAVE

Whenever any employee in the unit is compelled to be absent from duty by reason of death or critical illness where death appears imminent, of members of the employee's extended family (father, mother, brother, sister, spouse, children, mother-in-law, father-in-law, step-parent, grandmother, grandfather, grandchildren, legal guardian or ward), such person shall be entitled to a one-time per family member leave of absence with pay, for up to five (5) working days. Bereavement shall be taken within thirteen (13) months.

6. MILITARY LEAVE

Military leave with pay shall be granted in accordance with provisions of State and Federal law. An employee entitled to military leave shall give his department director an opportunity within the limits of military regulations to determine when such leave shall be taken. The employee shall immediately notify his supervisor upon receipt of military orders and present a copy of the orders to his department director prior to taking such leave. The department director shall in turn advise the Human Resources Director of such military orders.

7. NON-INDUSTRIAL DISABILITY LEAVE

An employee who is temporarily incapable of performing the full range of duties of his position due to illness, injury, or pregnancy disability must provide a medical certificate from his/her treating physician certifying that the medical leave is necessary and the employee is unable to perform his/her job duties, specific limitations/restrictions, the beginning date and anticipated ending date of such limitations/restrictions. Should the employee need to take a leave of absence due to such disability, he or she must use all accrued paid leave prior to requesting leave without pay, provided that the use of sick leave in the case of pregnancy disability is optional to the employee prior to use of leave without pay. A medical certificate from the employee's treating physician stating the requirement for leave and anticipated length of leave must be submitted to the Human Resources Director prior to authorization for such leave. Upon return to work from a disability leave, a medical certificate with specific comment on limitations/restrictions (or lack of such) must be submitted to the Human Resources Director.

8. JURY DUTY

- a. An employee called for jury duty shall as soon as practicable notify his department director of the required duty dates upon receipt of such notice. Employees serving on jury duty in courts which have established a "call-in" system are requested to use this "call-in" process.
- b. An employee will not be paid additional salary on days he or she is required to be in attendance at court for jury duty on an observed City holiday. For any regular work day or part of regular work day that an employee is not required to be in court, he or she shall report to the City for duty. Employees must account to their department director for any time off due to illness or any other reason(s) while on jury duty.
- c. The City will pay the salary for up to fifteen (15) working days in a calendar year of a regular or probationary employee who is required to serve jury duty if he or

she remits to the City his compensation for such jury duty and submits written documentation of attendance at court. If he or she does not remit this compensation and submit certified documentation of attendance, he or she shall be paid only for the time he or she actually worked in his or her City position. Notification of requirement to serve on jury duty and intent to remit compensation for such shall be made in writing to the employee's department director prior to such service.

9. TIME OFF FOR EXAMINATIONS

All employees shall be entitled to necessary time off with pay for the purpose of taking qualifying or promotional examinations pertaining to positions in the competitive service of the City.

10. LEAVE OF ABSENCE WITHOUT PAY

a. General Policy

Any employee may be granted a leave of absence without pay upon the approval of the Human Resources Director pursuant to the recommendation of his department head. A leave without pay may be granted for any of the following reasons:

- (1) Illness or disability
- (2) Pregnancy
- (3) To take a course of study which will increase the employee's usefulness on return to his position in the City service
- (4) For personal reasons acceptable to the Human Resources Director and department head.

b. Authorization Procedure

Requests for leave of absence without pay shall be made upon forms prescribed by the Human Resources Director and shall state specifically the reason for the request, the date when it is desired to begin the leave and the probable date of return. The request shall normally be initiated by the employee but may be initiated by his department head. The department head's written recommendation (that it be granted, modified or denied) shall be promptly transmitted to the Human Resources Director. The Human Resources Director shall then make his determination in writing. A copy of any approved request for leave of absence without pay shall be delivered promptly to the Finance Director.

c. Length of Leave and Extension

A leave of absence without pay may be made for a period not to exceed one year provided that the City Manager may extend such leave for an additional period up to one year. Procedure in granting extensions shall be the same as that in granting the original leave provided that the request for extension is made not later than fourteen (14) calendar days prior to the expiration of the original leave.

d. Return from Leave

When an employee intends to return from an authorized leave of absence without pay either before or upon the expiration of such leave, he or she shall contact his/her department director at least fourteen (14) calendar days prior to the day he/she plans to return. The department director shall promptly notify the Human Resources Director of the employee's intention.

e. Leave Without Pay

An employee shall utilize all his/her vacation and/or compensatory time off prior to taking an authorized leave of absence without pay.

11. ABSENCE WITHOUT LEAVE

a. Advance Notice

Whenever possible an employee shall notify his or her department director or immediate supervisor in advance of the date he or she expects to be absent from duty and the reasons for such absence.

b. Notification on Day of Absence

Any employee who is absent from duty shall report the reason for such absence to his department director or immediate supervisor within 30 minutes after the start of his normal work shift, except where uncontrollable circumstances prevent the employee from calling within that time frame. In that event, the employee shall give such notice as soon as practicable.

Police Department employees shall report to the Watch Commander at least one hour prior to the beginning of their assigned work shift.

c. Failure to Provide Notice

An employee who is absent without notice may be considered to have abandoned his position and therefore may be terminated from City service.

ARTICLE VI

EQUIPMENT AND SAFETY

1. STEEL-TOED SAFETY SHOES

Any employee represented by the Association who is required to regularly wear steel-toed safety shoes shall be entitled to a reimbursement of up to two hundred forty dollars (\$240) per fiscal year for the purchase or repair of approved shoes, socks, insoles, and laces, upon presentation of receipt of such purchase/repair.

2. SAFETY COMMITTEE

The City will authorize one representative of the Association to be a member of the Citywide Safety Committee.

3. UNIFORMS

Employees may be required to wear uniforms issued by the City if so determined by their respective department director(s). The City will replace uniforms due to normal wear.

The cost of uniforms shall not constitute compensation for purposes of the regular rate calculation under the Fair Labor Standard Act. This policy shall remain in effect unless a change is dictated by applicable law.

The City shall report to CalPERS the monetary value of uniforms and uniform maintenance for "Classic" employees required to wear uniforms. The monetary value by classification is listed in Exhibit "D", entitled "UNIFORM ALLOWANCE." This applies only to "Classic" members, not new members per Title 2 California Code of Regulations section 571(a)(5) as defined by the Public Employees' Pension Reform Act of 2013.

Uniform allowance is defined as compensation paid or the monetary value for the purchase, rental and/or maintenance of required clothing, including clothing made from specially designed protective fabrics, which is a ready substitute for personal attire the employee would otherwise have to acquire and maintain.

ARTICLE VII

WORKING CONDITIONS

1. EMPLOYMENT MEDICAL AND/OR PHYSICAL EXAMINATION

Any employee in the competitive service may be required to take and pass a medical, physical and/or psychological examination whenever, in the judgment of the appointing authority, it would be in the best interest of the City to make such a requirement. Employees who, in the opinion of the medical examiner, are physically incapable of meeting the normal requirements of their positions may be assigned to a class for which they are suitable. All employment examinations required by the City shall be conducted at City expense.

2. TRAINING

For on-the-job training purposes, the City may assign an employee to a higher classification in order to learn the duties of that classification. The individual employee will be made aware of the program to be carried out and the training period will not continue for more than six months. The individual assigned will continue to receive compensation at the rate to which he or she is assigned in his regular position while in the training capacity. Selection of the individual will be from a list of volunteers based on job performance experiences and related factors.

3. PROMOTIONAL POLICY

Where qualified candidates exist, it shall continue to be the City's policy to encourage promotion from within to the fullest extent of the law.

4. OUTSIDE EMPLOYMENT

An employee shall not engage in any employment, activity or enterprise which is inconsistent, incompatible or in conflict with his duties, functions or responsibilities as a City employee, nor shall he or she engage in any outside business or employment activity which will directly or indirectly contribute to the lessening of his effectiveness as a City employee.

ARTICLE VIII

GRIEVANCE/DISCIPLINE/LAYOFF/PROBATIONARY PERIOD

1. GRIEVANCE PROCEDURE

The parties agree that the grievance procedure contained in Resolution No. 4066-71 as amended shall be binding upon the parties for the term of this Agreement and is incorporated herein by reference.

2. DISCIPLINARY NOTICE PROCEDURE

The City will follow notice and procedures required by law prior to implementing disciplinary proceedings.

3. DISCIPLINARY APPEAL

Both the City and the Association acknowledge the right to waive the tri-partite ad hoc personnel appeals board, as described in Section 2.44.390 of the Municipal Code.

The appeals procedure set forth in Garden Grove Municipal Code Section 2.44.390 ("Appeals Procedure") shall not be available for disciplines of less than a full day; provided, however, that in the event a discipline of a day or more is issued as part of progressive discipline, and such level of progressive discipline relies on a previous incident for which the Appeals Procedure was not available ("Previous Incident"), the employee may raise the propriety of the Previous Incident, but only as part of the determination of the propriety of the discipline of a day or more, and only if the employee, on a timely basis, exhausted the administrative remedies available to them in the Grievance Procedure for the Previous Incident.

4. LAYOFF PROCESS

City Code Section 2.44.400 states, "Seniority and competency shall be observed in effecting a reduction in personnel. Layoff shall be made within classes of positions for layoff purposes, competency shall be determined by the head of the department." The layoff process shall be utilized on a departmental basis.

EXAMPLE:

<u>Seniority</u>		<u>Competency</u>		<u>Average Ranking</u>
1	Employee A	2	$3 \div 2 =$	1-1/2
2	Employee B	3	$5 \div 2 =$	2-1/2
3	Employee C	1	$4 \div 2 =$	2

Employee B (the employee with the highest average ranking) would be the employee selected to be laid off in this classification.

If Employee B chooses to bump into a lower classification he or she would be given a competency factor equal to the average for the new classification.

In the event of equal average ranking scores, seniority will be used to determine selection.

Step 1

Determination of need for layoff will be made by the City.

Step 2

Classifications to be affected will be determined by the City and number involved.

Step 3

Within the classification, employees will be ranked by seniority and ranked by competency in classification. After six months employee carries seniority in the new position with him or her into the new classification. Seniority is computed from date of probationary appointment to full-time position, whether City or federally funded.

Step 4

The department director will determine, based on official personnel records and/or qualified testing procedures, where applicable, the individual selected for layoff in the classification. The department director will utilize a combination of the seniority and competency of the individual in making this determination. The Human Resources Director will confer with the Employees' Association if qualified testing is to take place.

Step 5

An individual laid off from a particular classification may "bump" into a classification for which he or she is qualified (qualification is presumed where the person has held the position previously with the City or where a lower position is in a normal line of promotion). After an employee is informed of an impending layoff or "bump down", he or she must inform the Human Resources Director within five working days of his/her intent to take the option of the layoff or the "bump down".

Step 6

The process will be repeated at the next classification level where an employee bumps in and creates an overage in that classification.

Step 7

When the "bump down" reaches the lowest classification in the series, determination for layoff will be made by seniority only.

5. SENIORITY

Seniority is defined as the length of continuous paid employment with the City. Seniority shall be retained but shall not accrue during periods of leave without pay.

6. PROBATIONARY PERIOD

a. Initial Probationary Period

Every person receiving an appointment to the competitive service shall be required to serve a probationary period of twelve (12) months, commencing on the date of appointment.

b. Probationary Period Following Promotion

- (1) Regular Employee: A regular employee who is promoted shall serve a probationary period of six (6) months in the new position to which he or she has been promoted commencing on the date of such promotion. This probationary period may be extended for up to an additional six (6) month period, upon action of the department director.
- (2) Probationary Employee: A probationary employee who is promoted to a position in a class with a higher salary range shall complete the probationary period of six (6) months required of employees with regular status who have been promoted. This probationary period may be extended for up to an additional six (6) month period, upon action of the department director.
- (3) When a department manager reasonably concludes that an employee's six (6) month probationary period is insufficient to allow the manager to evaluate the performance of the employee, the department manager may recommend in writing to the department director that the probationary period be extended for up to a six (6) month period. The department director shall have exclusive authority over any such extension. In the event the probationary period is so extended, the affected employee shall have an opportunity to discuss the extension with his/her department director. During the extension period the employee shall remain in probationary status, unless the department director removes the employee from probationary status prior to the end of the extended probationary period.

If the department director wishes to extend a probationary period, he or she shall so notify the affected employee in writing before the end of the original six (6) month probationary period.

c. Police Department Positions

Notwithstanding the probationary time periods set forth above, the classifications of Communications Shift Supervisor, Senior Community Services Officer, Community Services Officer, Police Records Shift Supervisor, Police Records Specialist and Special Officer shall serve a probationary period of twelve (12) months, commencing on the date of appointment, for both initial appointments and promotional appointments. Public Safety Dispatchers shall serve a probation period of eighteen (18) months commencing on the date of appointment, for both initial appointments and promotional appointments.

ARTICLE IX

GENERAL PROVISIONS

1. SAVING CLAUSE

If any provision of this Agreement or the application of such provisions to any person or circumstances be ruled contrary to law, by any Federal or State court, or duly authorized agency, the remainder of this Agreement will remain in full force and effect.

2. FULL UNDERSTANDING, MODIFICATIONS, WAIVER

It is intended that this Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

TUITION REIMBURSEMENT PROGRAM

1. ELIGIBILITY

All employees who have passed their initial probationary period are eligible to receive tuition reimbursement. Courses must commence after passing the initial probationary period.

2. COURSE ELIGIBILITY

Courses must be in excess of the educational standards for the position. An example of this would be job-related college or university courses when the specification for the classification calls for high school graduation.

Courses must be taken at colleges or universities accredited by one of the six regional accreditation bodies for the United States (as approved by the Department of Education), including the Western Association of Schools and Colleges, the Northwest Association of Colleges and Universities, the Middle States Commission on Higher Education, the New England Association of Schools and Colleges, the North Central Association of Colleges and Schools, and the Southern Association of Schools and Colleges. Credits given for non-classroom assignments such as life experiences, military training, and professional training are not reimbursable. While on-line courses from accredited institutions are acceptable, correspondence courses are not eligible for reimbursement.

Coursework must be related to the employee's current occupation or to a City classification to which the employee may reasonably expect promotion.

No coursework beyond the Master's Degree level or any law school coursework is eligible for reimbursement.

Each course must be identified as to whether it is a core course or a recommended elective for the approved major.

Courses that duplicate previously taken courses are not eligible.

Courses are required for the completion of the pre-approved job-related major. An example would be general education or elective requirements to the major as stated in the college/university catalog. Remedial courses or those taken as required for non-approval major shall not be eligible.

Employees who currently have a Bachelor's/Master's degree may be authorized to take an undergraduate/graduate course in a specialized field directly related to the duties of their classification.

Courses are not taken on City time and must be certified that they are taken on the employee's off-duty time.

Courses must be approved by the Department Director and the Human Resources Department before commencement of the class.

3. REIMBURSABLE EXPENSES

The City shall reimburse employees for tuition, registration fees and texts/materials and lab fees required for the eligible courses. Expenses for parking, travel, meals, non-course fees (e.g., student association fees, insurance fees), processing fees, transcript fees, materials and any other costs are not reimbursable.

Employees shall be reimbursed up to the dollar amount charged for the same number of units per term by the California State University system with a maximum of \$3,000 per fiscal year, effective July 1, 2015, for courses completed during that particular fiscal year. The difference between the City's maximum reimbursement during any fiscal year and the amount of any actual reimbursement received by the employee during that fiscal year shall not be carried over or be available for use by the employee in any subsequent fiscal year.

Funds received from any outside sources for the same purpose, such as a scholarship, grant or Veteran's Educational Benefits, must be applied toward the cost of the tuition/fees before the City's tuition reimbursement plan shall apply.

Reimbursement shall be made upon completion of the course with a minimum final grade of "C" or its equivalent, i.e., a pass in a pass/fail course will be considered equivalent to a "C." Graduate level courses require a minimum grade of "B" for reimbursement. No reimbursement shall be made for audited or incomplete courses.

Employees must submit from the attendant institution a bona fide certification of fees paid and grade achieved in order to have their application considered for reimbursement. These documents must accompany the reimbursement application form in order to be processed.

Application for reimbursement must be submitted within three months of the completion of the approved course in order to be considered for reimbursement.

Upon separation from employment, employees shall be required to reimburse the City for any funds received under this program for courses completed during the last 12 months of employment. This payback provision does not apply to employees who are laid off by the City.

The tuition reimbursement may be a taxable benefit depending upon the provisions of the Internal Revenue Code. The individual employee will be responsible for any tax liability.

4. EDUCATIONAL INCENTIVE PROGRAM

The Education Incentive Program is being phased out and is only available to qualified employees receiving this benefit before January 1, 1999.

1) QUALIFICATION - College Units

In order to be eligible to receive the flat-rate incentive bonus of \$50 per month, the employee must satisfactorily complete fifteen (15) semester or equivalent units of career-oriented, college level course work. Satisfactory completion means receiving a grade of "C" or better if course is graded, or "Credit" if no grade is given. These units must have been completed while employed with the

City in a classification represented by this unit, must have been taken on the employee's off-duty time and at his own expense, and must be approved by Human Resources. Three (3) of the fifteen (15) units must have been earned during the two (2) year period preceding qualification. Units will be approved if they meet the following guidelines: (1) are directly related to the employee's position or normal promotional career opportunities within the City, as determined by the Human Resources Department; or (2) are creditable toward a college degree from an accredited college or university. Without prior approval, no guarantee can be given that course work will be accepted.

The date of initial qualification of this incentive bonus pay shall be the date which proof of completion of fifteen (15) units is submitted to Human Resources. Compensation of this bonus shall begin at the beginning of the pay period in which proof of qualification is submitted. Forms for application of qualification shall be provided by the Human Resources Department and must be completed by the employee and submitted to Human Resources with proof of qualification. A grade card, transcript, or appropriate form signed by the instructor shall serve as proof of qualification. Qualification shall continue for a two (2) year period from the date of initial qualification.

2) CONTINUATION OF QUALIFICATION

In order to maintain qualification of this incentive bonus pay, the employee must recertify every two (2) years by satisfactorily completing three (3) career-oriented semester or equivalent units prior to the conclusion of the two (2) year qualification period. Satisfactory completion means receiving a grade of "C" or better if course is graded, or "Credit" if no grade is given. These units must be approved by the Human Resources Department and completed on the employee's off-duty time and at his own expense. Units will be approved if they meet the following guidelines: (1) are directly related to the employee's position, as determined by the Human Resources Department; or (2) are creditable toward a college degree from an accredited college or university. Without prior approval, no guarantee can be given that course work will be accepted for continuation of qualification in this program. Proof of completion of approved course work must be submitted to the Human Resources Department prior to the conclusion of the two (2) year qualification period in order to maintain uninterrupted payment of this incentive bonus pay. Forms for application of qualification for continuation of this bonus pay shall be provided by the Human Resources Department and must be completed by the employee and submitted to the Human Resources Department with proof of qualification. A grade card, transcript, or appropriate form signed by the instructor shall serve as proof of qualification. A new two (2) year qualification period will begin from the date of completion of the course used for continuation of qualification.

If qualification for continuation is not maintained every two (2) years, payment of this incentive bonus pay will discontinue at the conclusion of the last-approved continuation period. To be eligible for reinstatement of this incentive bonus pay, the employee must meet the following "Requalification" requirements.

3) REQUALIFICATION

For requalification of eligibility to receive the incentive bonus pay, the employee must complete the requirements as described under "Continuation of Qualification". Requalification and compensation under this incentive bonus pay program will start at the beginning of the pay period in which proof of such requalification is received by the Human Resources Department. This requalification will begin a new two (2) year qualification period.

4) QUALIFICATION - College Degree

An employee may qualify for the flat-rate incentive bonus of \$50 per month if he or she has obtained a college degree from an accredited college or university in a field directly related to his/her current position at a level higher than that required of his/her current position. By way of example, qualification will be approved if the employee's position requires a high school diploma and he or she obtains an Associate of Arts (AA) or Associate of Science (AS) degree; or obtains a Bachelor of Arts (BA) or Bachelor of Science (BS) when his/her position requires an AA/AS; or obtains a Master of Arts (MA) or Master of Science (MS) when his/her position requires a BA/BS.

A diploma or official transcript shall serve as proof of qualification. The date of initial qualification shall be the date which proof of qualification is submitted to the Human Resources Department. Qualification shall continue until such time as the employee terminates City employment or is transferred/promoted to another position within the City which requires a higher level educational degree.

SICK LEAVE PAY OFF1. ANNUAL SELL BACK

- a. Employee A has accumulated 328 unused sick leave hours as of June 30. During the fiscal year, he or she has accrued 96 sick leave hours and used 8 hours. He or she is eligible to sell back 44 sick leave hours in July at the rate of \$.70 on the dollar or employee may choose to convert this equivalent amount of hours, after the \$.70 on dollar conversion, to vacation hours.

If he or she elects to sell back all 44 eligible hours, 284 hours will remain in his/her sick leave bank until used or time of retirement.

Calculation:

328 unused hours in sick leave bank (June 30)

96 hours accrued - 8 hours used = 88 unused hours during fiscal year

88 hours divided by 2 = 44 hours eligible for annual sell back

(30.8 hours converted to vacation hours)

328 hours - 44 hours = 284 hours remaining in sick leave bank

- b. Employee B has accumulated 248 unused sick leave hours as of June 30. During the fiscal year, he or she has accrued 96 sick leave hours and did not use any. Although he or she would ordinarily qualify to sell back 48 hours (one-half of 96 accrued but unused sick leave hours), he can actually sell back only 8 hours in order to maintain the qualifying bank of 240 hours. If he or she elects to sell back all 8 eligible hours, 240 hours will remain in his/her sick leave bank until used or time of retirement.

Calculation:

248 unused hours in sick leave bank (June 30)

96 hours accrued - 0 hours used = 96 unused hours during fiscal year

96 hours divided by 2 = 48 hours "ordinarily" eligible for annual sell back

248 bank hours - 240 minimum required hours = 8 hours eligible for annual sell back (5.6 hours converted to vacation hours)

248 - 8 hours = 240 hours remaining in sick leave bank

- c. Employee C has accumulated 450 unused sick leave hours as of June 30. During the fiscal year, he or she has accrued 96 sick leave hours and used 100 hours. Although he or she has accumulated more than the minimum 240 unused hours

required to qualify for this benefit, he or she has used more than he or she accrued during the fiscal year. This disqualifies the employee from participating in this benefit for this fiscal year.

Calculation:

450 unused hours in sick leave bank (June 30)

96 hours accrued - 100 hours used = 0 unused hours for fiscal year

2. PAY OFF AT RETIREMENT

- a. At time of retirement, Employee D has 680 accumulated but unused sick leave hours. He or she will be paid for 340 hours (50% of 680 hours) at his/her base salary hourly rate and the remaining 340 hours will be reported to PERS for inclusion in calculation of total service period.
- b. At time of retirement, Employee F has 1,050 accumulated but unused sick leave hours. He or she will be paid for 500 hours (50% of 1,000 hours) at his/her base salary hourly rate and 550 hours will be reported to PERS for inclusion in calculation of total service period.
